

The Kalkaska County Recycling Center is advertising for sealed bids to repair the driveway and parking lot.

Driveway:

- Removal of trees located on East side of driveway enough to allow room for proper drainage and widen driveway. Area will be marked off.
- Grade and add Afton stone including a large enough area for vehicle turn around. See engineered plan.

Parking Lot and Drainage:

- Removal of trees inside of the fence line on the south side of parking lot up to drainage basin. Area will be marked off.
- Installation of drainage basin to follow engineered plan.
- Installation of drainage swale to follow engineered plan.
- Grade and add gravel on remaining parking lot, a portion of the gravel can be utilized from what is currently on site located around perimeter fence line.
- Driveway and parking lot need to be packed after Afton stone and gravel have been put down.

- Engineered drainage plan is available for pick up at the Kalkaska Recycling Center, County Clerk's Office, or found on the Recycling Center's Website.
- All sealed bids must be submitted by 5:00pm on September 7th, 2018 to the County Clerk's Office.
- Attach a copy of Company's liability insurance.
- Hours to visit and measure the jobsite are Mon.-Thurs. 8-4:30pm and Sat. 8-12pm
- Bids will be opened September 12th, 2018 at 11am at the Administration Building, 605 N. Birch St. in the Commission Chambers. Room #104.
