

KALKASKA COUNTY BIDS BEING ACCEPTED
KALKASKA COUNTY SEEKS BIDS FROM QUALIFIED FIRMS AND INDIVIDUALS FOR:

Water Wells at Administration Building

Installation of 5" PVC Constant Pressure Water Well 50 gpm minimum flow rate; connect to existing line, plug old well, remove exposure portion; all permits, insurance, contractors and material included in bid; to be performed in the Spring of 2019 prior to irrigation needs.

Water Well at Civic Center Building

Upgrade existing well system from a pump/tank system to a constant pressure system. Remove existing tanks and regulator as needed. Clean/change well screen, remake well vain as needed for new pump system to deliver 50 gpm flow rate; all permits, insurance, contractors and materials included in bid.

Sidewalk Replacement at DHS Building

Replacement of the sidewalks in front of the DHS Building at Courthouse Drive; heated sidewalk will be in the replacement; all permits, insurance and materials included in bid.

Contractors will be responsible for removal of any materials. You may call DPW Supervisor at 231-384-1986 or 231-258-3349. Sealed bids are due on or before July 25, 2019 5:00 PM and filed with the County Clerk's office.

Kalkaska County reserves the right to reject any or all proposals submitted.
